

Dear Valued Customer,

Fifty years ago, our founders set out with a bold vision: to transform the way the world tracks critical assets. From that vision, Computype was born. Over the decades, we have dedicated ourselves to developing and manufacturing innovative labeling solutions that serve industries across the globe—solutions that have truly stood the test of time.

None of this would have been possible without you. Your trust, loyalty, and partnership have been instrumental to our growth and success. We are deeply grateful for the confidence you place in us and for allowing us to support your labeling needs year after year.

Reaching this milestone is especially meaningful for a family-owned company. Our employees take pride in our legacy, our work, and, above all, in serving you. As we look to the future, we remain committed to our core values and to delivering the highest level of service and quality you have come to expect.

Thank you for being an integral part of our journey. We look forward to continuing this partnership and to many more years of shared success.

Best regards,

Scott Hietpas  
CEO, Computype
